

ACHIEVEMENTS SO FAR

Knowledge and skills imparted on participants through capacity building have helped in effective and efficient data collection, improvement of information sharing and coordination of humanitarian activities.

- It has also helped humanitarian actors and partners alike in:
- Broadening their knowledge on Camp set-up, maintenance and closure.
 - Camp management, coordinating meetings within Camps to identify and address challenges.
 - Mandating referral pathways for Camp managers in mainstreaming GBV.
 - Strenthening synergy among stakeholders in CCCM.
